A

CANVAS

Collab!

Going "back to school"

means learning there is
so much to this world.
We share our planet with
countless other creatures.

And we can accomplish
great things!

School isn't
something I've
missed.

I prefer one-
on-one training
from those
around me.

I miss the
competition!

The thrill of
being on top!

I miss my debate
club, my teachers, and
the family score board
on who would have
the most "A's".

Finding my place,
my worth, in this new world
... I feel like something
is missing.

School was a positive environment for me where I got to learn something new every day.

I wish more than anything that I could go back.

Children of ELDAIR

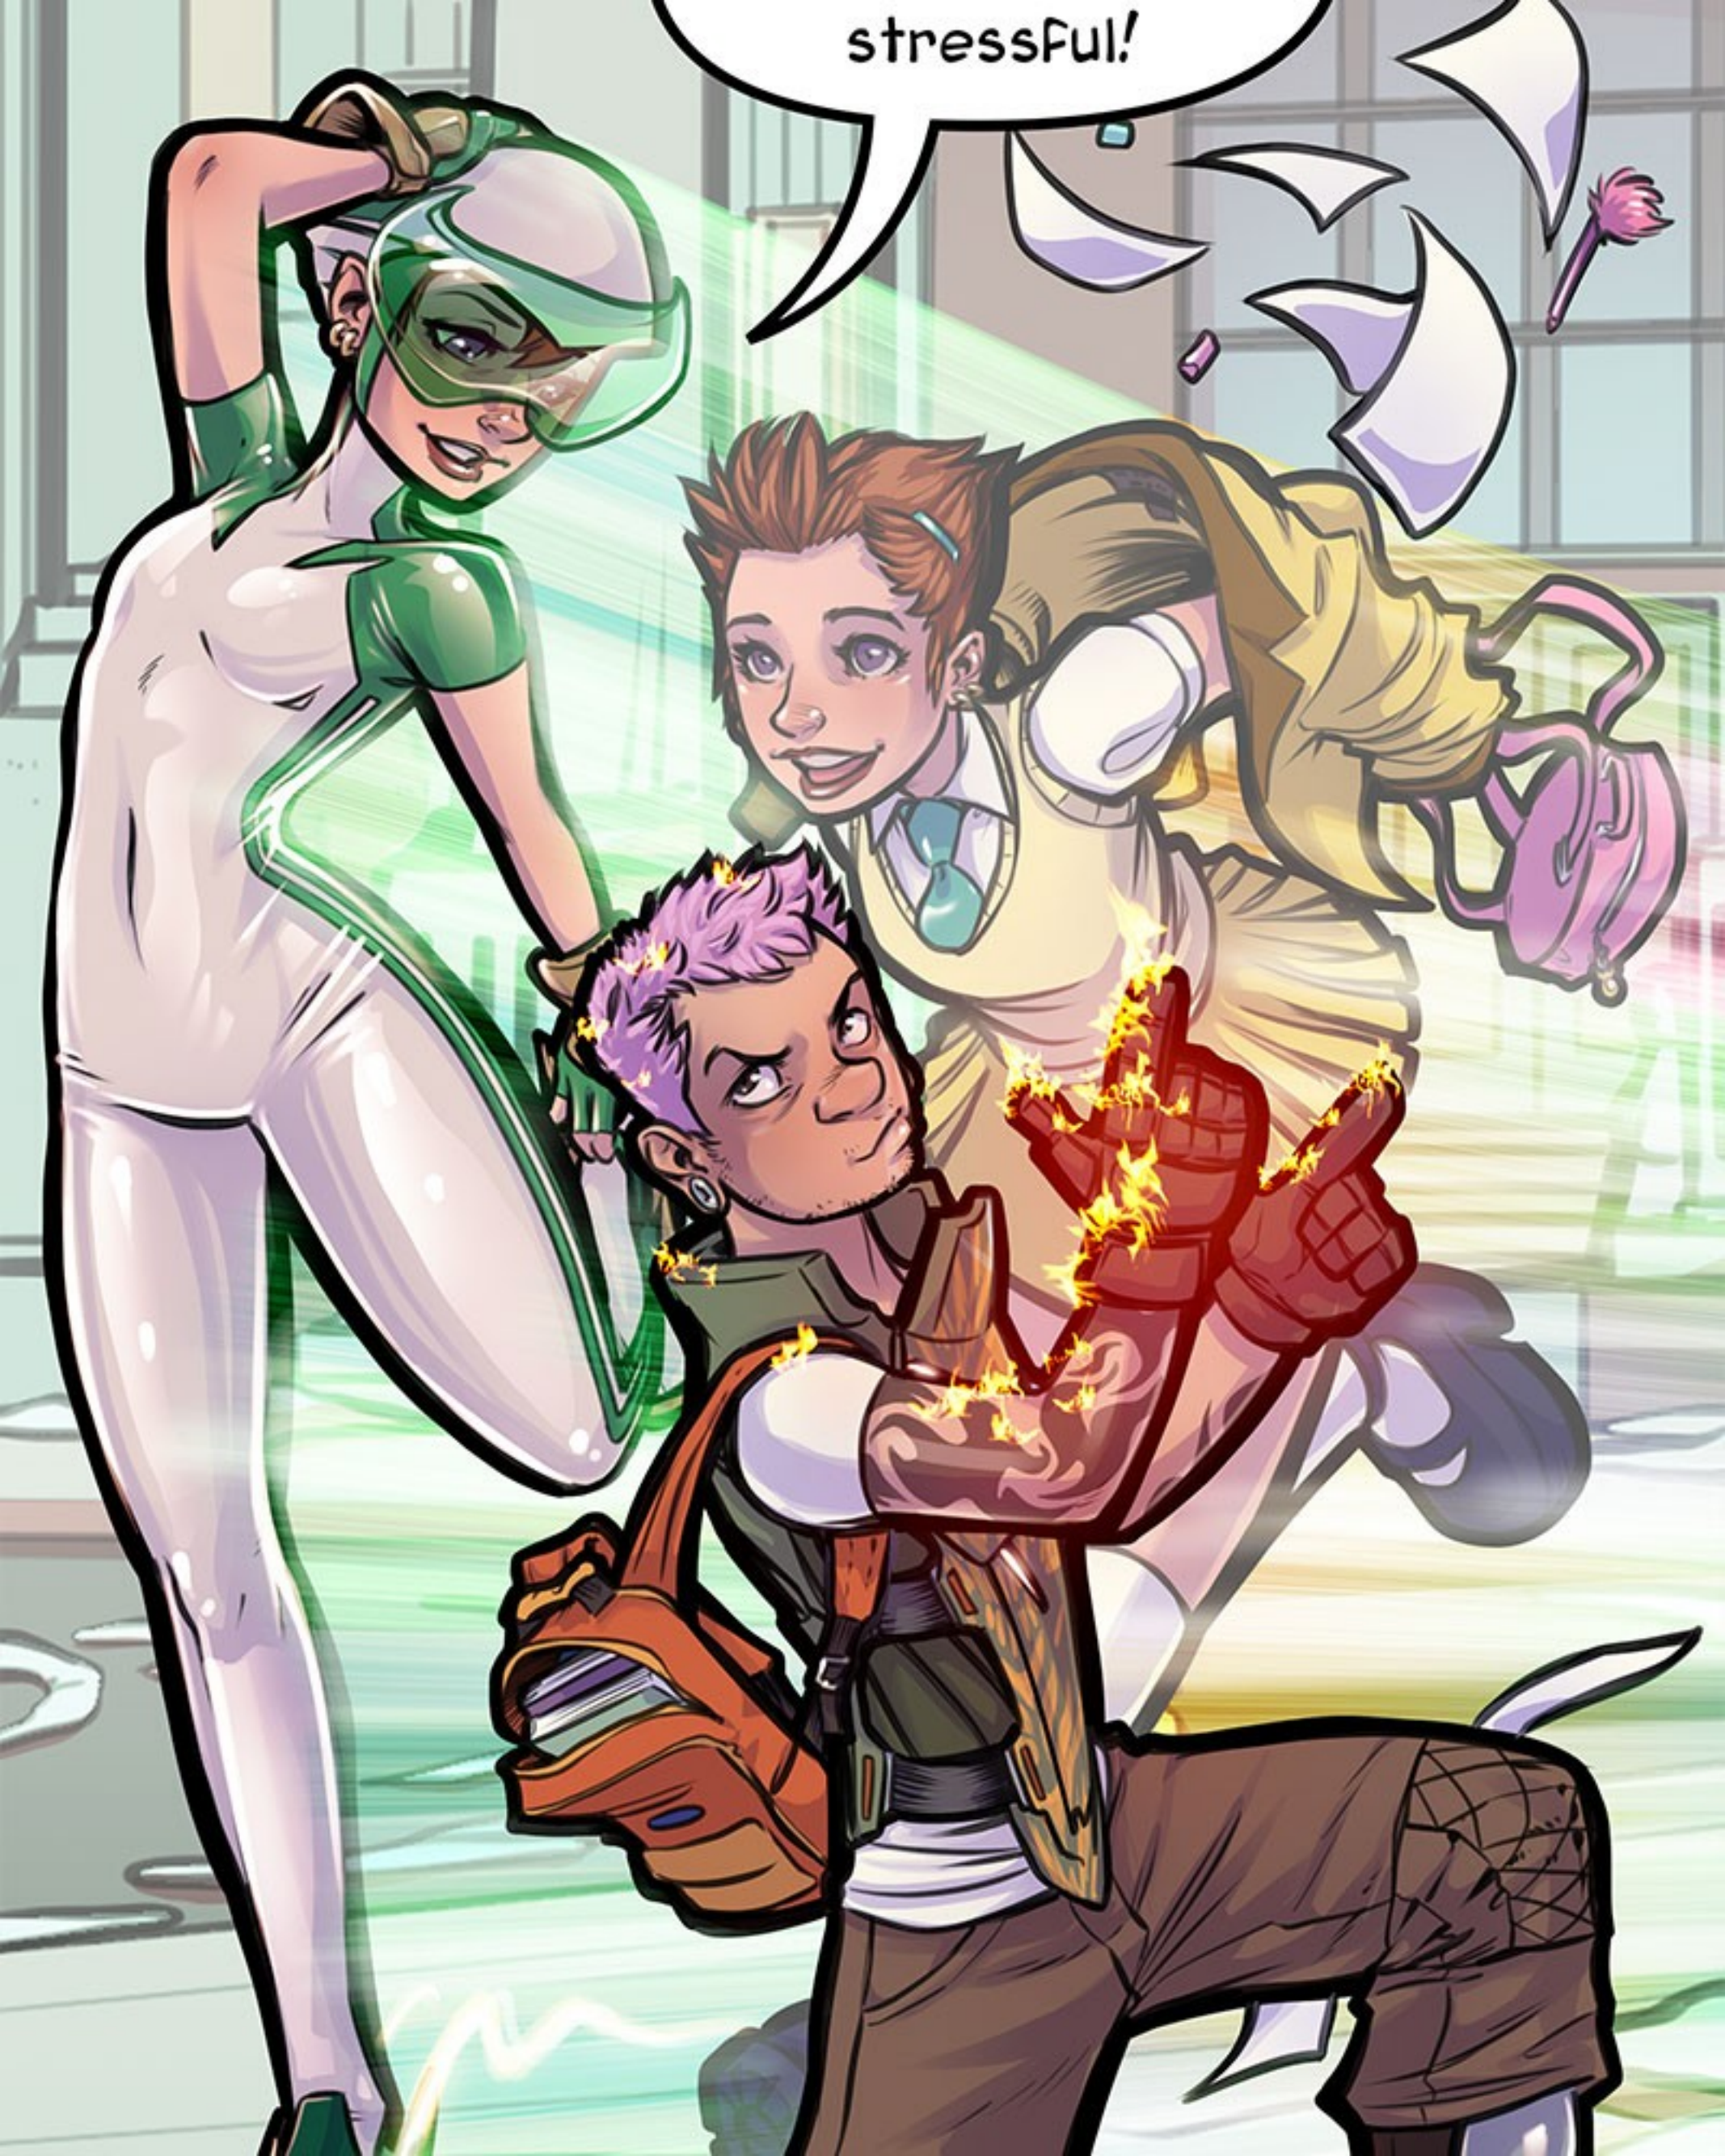

THE Uniques

When *I* go back to school, my ***biggest*** issue is managing my ***time!***

Like, *I may* have ***super speed*** and stuff?

But being a super-hero ***and*** a student is ***hecka-***

stressful!

Whatever,
dude. Caping is
hard, sure...

But I *also*
get to shoot *fire*
at stuff and wail
on bad guys.

I'd rather be
out in them streets
than trying to *stay*
awake through
first period.

SCHOOL? SINCE WHEN
DO WE DO THAT?

A person with dark hair, wearing a blue t-shirt and grey pants, is sitting at a wooden desk, reading an open book. A speech bubble from the book says, "YOU USUALLY CALL IT YOUR 'SCHEDULED NAP TIME.'" A blue folder is on the desk to the left. The background shows a classroom setting with other desks and chairs.

YOU USUALLY CALL IT
YOUR "SCHEDULED NAP
TIME."

A comic panel featuring three characters. In the background, two girls in light purple short-sleeved shirts with dark purple collars and ties, and purple skirts, are standing. The girl on the left has long dark hair in a braid and a surprised expression. The girl on the right is seen from the back. In the foreground, a girl with large brown bunny ears and blue eyes is looking up at them with a wide-eyed, excited expression. A speech bubble from the girl with bunny ears contains the text.

I'M GONNA
MAKE SOME
NEW FRIENDS!

That would be

Rias,
are you
making
this fuss
because
today is
back-
to-school
and it
reminded
you of your
old school
days?

I'm still the
schoolgirl
you fell in
love with!

Only if I go
wearing
my uniform!

do you
want me
to take
you to
the mall
like
we used
to?

Somehow,
I think that
will make me
look bad.

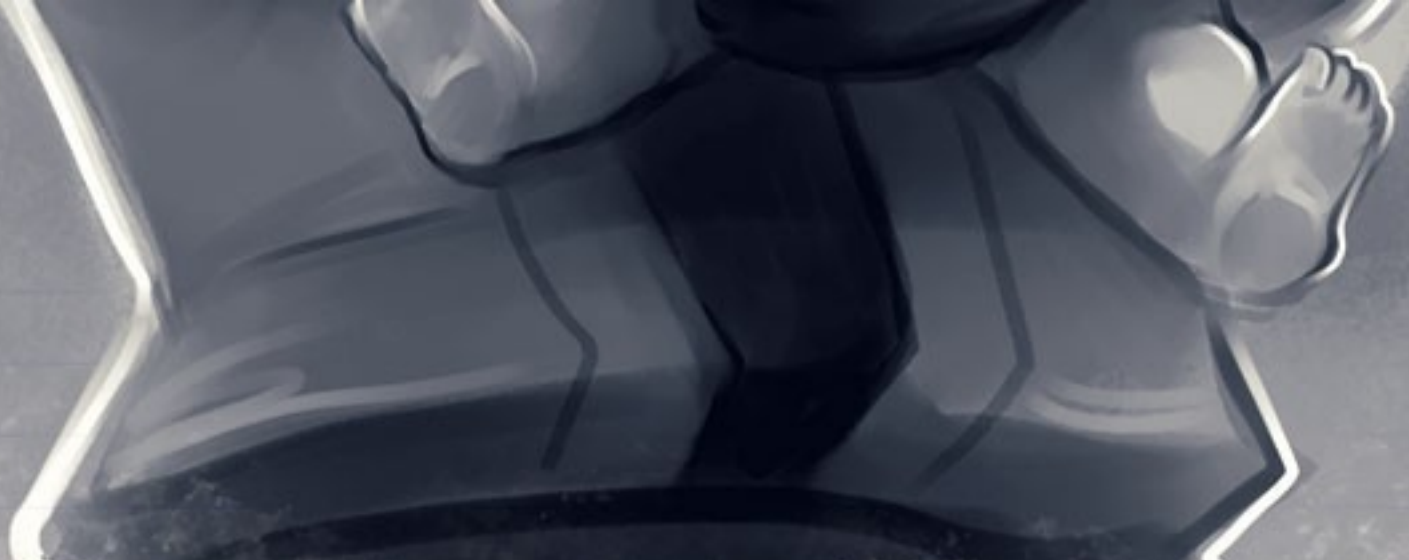

A grayscale illustration of a man and a young girl. The man, on the left, has long, wavy hair and pointed ears, looking down with a sad expression and a tear on his cheek. He is holding the girl. The girl, on the right, is smaller with short hair and pointed ears, looking up at him with a wide-eyed, happy expression. A speech bubble from the man contains text. The text 'GAGAGAA!' is written next to the girl.

Are you
absolutely sure
she's too young
for preschool?

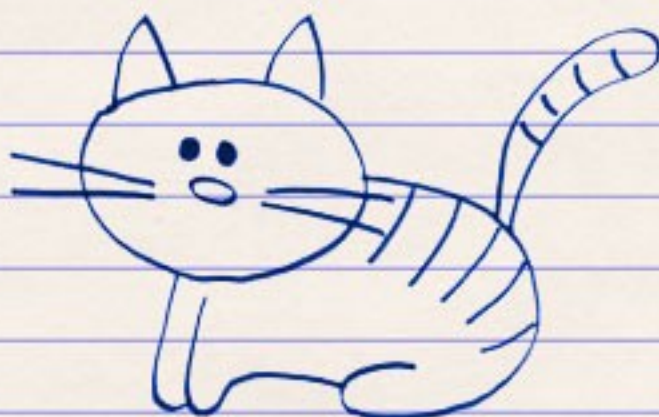

(please save me)
